

Khantara Village in Mabata Shire's Genocide

24-2-2018

From the beginning of attacks on Afrin in 20-1-2018, Turkish army occupant with the Syrian opposition use all lethal dead weapons and advanced technology to fight people of Afrin. With the hard bombardment on villages and shires surrounding the border, people are enforced to refuge to another internal villages and shires in Afrin.

Child martyr Ibrahim Rashed Rashed

Rashed's family are one of the families who enforced to refuge from their villages because of bombardment by jets and random artillery more than 36 days.

Rashed Rashed's family is consist of 4 people from Cholakha village in Bulbul shire in Afrin, who refuged from their village when it is targeted by heavy artillery in 30-1-2018

The family temporarily fled to Khantara village in Mabata shire in Afrin until the situation in their village be calm as they said, but they didn't know that Turkish Army has no difference between children, women and elderly people and it is targeting civilians in all villages and shires in all of Afrin. In 24-2-2018 on Saturday, Turkish occupant jets bombed Khantara

village and most of family members have heavily injured and the child Ibrahim Rashed Rasho died.

The child Ibrahim Rasho

Rashed Rasho; the father of the child Ibrahim Rasho

The names who targeted by Turkish jets:

- Rashed Rasho, 70 years old, father of tow children from Cholakha village in Bulbul shire in Afrin, injured in his face and belly.
- Hussein Rashed Rasho, 9 years old, from Cholakha village in Bulbul shire in Afrin, heavily injured in his right hand.
- Ibrahim Rashed Rasho, 4 years old, from Cholakha village in Bulbul shire in Afrin, died after direct injury in his jaw and fragment on his chest.

The child Hussein Rashed Rashed

The mother of Ibrahim Rashed Rashed and the blood of his child on her blouse

Mother of the martyr child said that her husband and two children were shepherding the sheep which they can save from their village and she was cleaning the place where they temporarily stay in. after that she heard sound of jets on sky of the village and she didn't care as she said, because the Turkish jets run in sky of Afrin all the time, but this time the place where she was shake when the jet bombed a place near her and then she went out and saw her two children and husband with their blood and unconscious. She with some villagers took her two children to the hospital in the center of Afrin city and her husband stayed there until they could rescue him.

Until this photo have been taken the mother was believe that her child Ibrahim is still alive.
