

Special file about Bakeries in Afrin

4-3-2018

The Occupant Turkish army targeted everything exists on the land of Afrin and its villages and shires, and still many services centers are in risk of their targeting by the occupant Turkish army and its mercenaries who from the first day in 20-1-2018 mainly targeting civilians to empty those regions from their residents, then to start demographical change planned by Turkey state.

Rajo bread oven before the bombardment by occupant Turkish army

Bakeries are main places to make regions needs of bread and they also have been randomly targeted, destroyed and some of them stopped because of the heavy bombardment there. In the same time, some bread oven are still working until now according to speech of the manager of bread oven in Afrin, Mr. Bangin Abdo.

The bakerys which targeted by the occupant Turkish army and its mercenaries by missiles and fuses are Rajo oven which was one of the main ovens in all of the shire, in the result it completely burned. So thousands of civilians from arm villages around Rajo can't get bread.

In addition to so much material damages has been caused to his owner, his loses are around 50000\$ thousand dollars and 2400000L.S thousands in the result of bombing the fuel which was used for the generator. Also the whole building is destroyed.

Rajo bread after the bombardment by occupant Turkish army

Also the bakery in the center of Jenderese shire has targeted which completely destroyed and it was from the main bakeries in Jenderese shire and its villages supply them by bread. Shekhourz bakery also in Belbele shire heavily damaged about 50000\$ dollar in addition to destruction of whole building. Jalama bakery also destroyed completely in the result of the bombardment and its damages are around 20000\$ dollar.

Rajo bakery destroyed by occupant Turkish army

The bakery in Belbele shire also damaged with half of its equipment is destroyed (Kotana bakery also damaged in its building).

We can't reach to all these destroyed bakeries and take pictures of them because of bad conditions in those villages and shires where the bakeries are destroyed.

Rajo bakery destroyed by occupant Turkish army

Many bakeries stop of work because of occupant Turkish army attacks on Afrin and the number of bakeries are 21, there are 19 bakeries still working, 3 bakeries work in Shahbaa canton and 17 in Afrin canton.

Bakeries which stop working because of occupan Turkish attacks and heavy bombardment on the villages and shires are in (Medan Ikbis, Maydana Sheikh Muhemed bakery, Khastal, Kotana, DerSwan, Korka, Waleed bakery in Jenderese, Sinara, Khota)

Still working bakeries until now and which supply people by bread are (automatic Afrin Bakery, Marate bakery, Hamada bakery, Judi bakery, Nawroz bakery in Sheraa). The only worked bakery in Jenderese shire is Kafar Safra village bakery to supply it and the villages around by bread though of the continuing bombardment on the village by occupant Turkish army, and heavy clashes in the villages around Kafar Safra.

In Mabata shire, the bakeries which work in each village are: (Merkan – center of Mabata shire)

(Badina bakery stopped because its bad condition), recently, alZiyara village bakery in Sherawa shire has worked again because of the pressure and increased needs in DerJamal bakery.

Special bakeries have turned to normal bakeries and the unit the price of bread in all bakeries to don't make mess and crisis among residents especially in the hard conditions in Afrin.

Rajo bakery destroyed by occupant Turkish army

The manager of bakeries Mr. Bangin Abdo mentioned the case of recent bakeries in Afrin and they do double their best to continue the process of bread making normally without high prices and cut in necessary materials. He said that all things in supplying bread is normal and acceptable.
