Injured Hussein Muhammed Shekho- Kharatapa village

The occupant Turkish state randomly and daily bombs the villages to exterminate civilians and make others afraid to flee from their villages, all these by the name of fight terrorism.

Injured Nabi Ismayil Shekho- Kharatapa village

The Turkish war machine never stop fighting civilians in Afrin and all the international and humanitarian organization don't pay any attention with blind eye on the worst crimes are committed by the occupant Turkish state in Afrin the small region. Every day the Afrinian scene hardly increase without any international move to stop this bloody scene.
